COMMENTS FROM THE AUDIENCE: None

Mr. Mosby thanks council for the vote on today's legislation. He will get the legislation to ODOT on Monday. He also informs council this past Thursday they held the bid opening on Sundale project and when all the bids came in, even the lowest bid came in more than \$300,000 more than originally anticipated. The lowest bid came in at 1.9 million dollars. Over \$500,000 is provided by Cincinnati Water Works. The city will have to come up with the remainder. Ms. Zorb apologizes for interrupting, but this is a special meeting and must remain on the subject as announced. Mr. Mosby says it is not legislation he is talking about. Mr. Miller-Novak said that both Ms. Zorb and Mr. Mosby are correct. Technically speaking, council cannot deliberate on items not on the agenda. Mr. Mosby, not being a member of council can mention things as long as council doesn't weigh in, share any thought on it, just listen it's okay. Just listening to someone say something is not considered deliberation under the open meetings act.

ADJOURNMENT: Pres. Graver calls for adjournment. Mr. Miller-Novak moves to adjourn. Ms. Underwood 2nd. No Discussion. Motion Passes 5-0.

Mary Dewald, Clerk of Council

Mike Graver, President of Council
